Dear Prospective Sponsor:

The Colts Drum and Bugle Corps is a nonprofit educational youth organization, chartered by the State of Iowa and the IRS as a 501(c)3 corporation. The Colts have been fostering values of self-discipline, loyalty, commitment and teamwork since 1963.

The bearer of this letter has been accepted for membership in the Colts but needs financial assistance. We hope you will consider sponsoring some or all of this member's season. 100% of your contribution will be credited to this member's account.

Each year we accept 135 members from Iowa and throughout the United States and overseas. These members have competed with over 300 others to earn a position with the Colts.

The summer tour lasts approximately 60 days, during which the corps will travel over 10,000 miles throughout North America. In the process, the members participate in regional, national and international performances and competitions.

Each member of the corps pays over \$1,500 in membership fees that help offset a portion of the expenses of transportation, lodging, meals, instruction, equipment and uniforms during the summer. Successful fund-raising and extensive community support cover the majority of the expenses.

In thanks for your support, you will receive periodic updates from us about our program and a listing in our summer show program.

If you require further information about the Colts, please contact me at any time. Thank you for your consideration.

Sincerely,

Greg Orwoll
