

We use music & excellence to teach each other about success in life.

Dear Friend,

The bearer of this letter has been accepted for membership in the Colts but needs financial assistance. We hope you will consider helping with some or all of this member's season. One hundred percent (100%) of your contribution will be credited to this member's account.

The Colts Drum & Bugle Corps is a non-profit educational youth organization, chartered by the State of Iowa and the IRS as a 501(c)3 corporation. The Colts have been fostering values of self-discipline, loyalty, commitment and teamwork since 1963. A truly life changing experience awaits.

Each year we accept up to 150 members from Iowa and throughout the United States and overseas, selected from over 300 others who have competed for a position. This young person is the best of the best.

The summer tour lasts approximately 60 days, during which the corps will travel over 10,000 miles throughout North America. In the process, the members participate in regional, national and international performances and competitions.

Each member of the corps is asked to pay approximately \$2,000 to help offset a portion of the expenses of transportation, lodging, meals, instruction, equipment and uniforms during the summer. Successful fundraising and extensive community support cover the majority of the expenses. Member fees contribute approximately 30% of the actual cost of participation expenses.

As a thank you for your support, you will be listed in our summer show program and will receive an acknowledgement directly from us.

If you require further information, please contact me at any time. Thank you for your consideration.

Sincerely,

Greg Orwoll
Executive Director
