

We use music & excellence to teach each other about success in life.

Dear Friend,

The bearer of this letter has been accepted for membership in the Colts but needs financial assistance. We hope you will consider sponsoring some or all of this member's season. 100% of your contribution will be credited to this member's account.

The Colts Drum and Bugle Corps is a nonprofit educational youth organization that has been fostering values of self-discipline, loyalty, commitment and teamwork since 1963. A truly life-changing experience is gained by the young people who participate with us.

Each year, we accept up to 150 members from Iowa and throughout the United States and overseas, selected from nearly 400 who come to Dubuque to audition.

The summer tour lasts approximately 60 days, during which the corps will travel over 14,000 miles throughout the United States, this year through 19 states, competing in regional, national and international performances and competitions.

Each member of the corps pays approximately \$2,000 which covers a portion of the costs of transportation, lodging, meals, instruction, equipment and uniforms. Fund-raising and extensive community support covers the majority of the expenses. Member fees contribute approximately 30% of the actual cost.

In thanks for your support, you will be listed in our summer show program and will receive an acknowledgement directly from us..

If you require further information, please contact me at any time. Thank you for your consideration.

Sincerely,

Greg Orwoll
Executive Director
